

Anita Schmid

Anita Schmid is a Data Scientist at Migros, Switzerland largest retailer, where she works on various projects advancing the retail customers' experience using data. She thrives on making a business impact with data products using Machine Learning. She holds a Masters in Physics and a PhD in Neuroscience from ETH Zurich. She lived and worked in New York City for 10 years before returning to her native country of Switzerland. She is a co-founder of the Zurich chapter of the Women in Machine Learning and Data Science Meetup group. In addition, she teaches Machine Learning at Propulsion Academy, a bootcamp for aspiring Data Scientists in Zurich. Anita can be reached on LinkedIn or on Meetup.
